- B. Grievances may be processed by an employee as provided herein, and by IFPE on behalf of itself, on behalf of an employee or on behalf of a group of employees but must set forth the names or classifications of such group of employees on the grievance. The resolution of a group grievance shall be made applicable only to those employees listed as grievants or only to employees in the aggrieved classifications.
- C. Any grievance arising out of the interpretation and/or application of a provision contained within this Agreement shall be heard pursuant to the procedures established herein.

Section 2. Grievance Steps

- Step 1. Within ten (10) days of the incident giving rise to the grievance, or from the date the employee shall have become aware of the incident with the exercise of reasonable diligence, the grievant shall file a written grievance with the first line supervisor outside of the bargaining unit. Only one subject matter shall be covered in any one grievance. The grievance shall contain a clear and concise statement of the facts giving rise to the grievance, the issue involved, the relief sought and specific references to this Agreement when appropriate. Within ten (10) days of receipt of the grievance, the first line supervisor shall issue a written decision and serve a copy on the grievant and on IFPE.
- Step 2. If dissatisfied with the Step 1 decision, IFPE may appeal to Step 2 within five (5) days of receipt of the Step 1 decision or the date such decision was due, whichever is earliest, by filing a copy of the grievance with the agency head. The agency head, or his/her designee, shall schedule a meeting to discuss the grievance with the IFPE in an attempt to resolve the grievance unless the parties agree otherwise. Such meeting shall be held within fifteen (15) days of receipt of the grievance. Within ten (10) days after such meeting, the agency head shall issue a written decision and serve a copy on the grievant and on IFPE. If no meeting is held, the Agency Head or his/her designee shall respond in writing to the grievance within fifteen (15) days of receipt of the grievance.

Step 3. If dissatisfied with the Step 2 decision, or if no decision is issued within the specified time limit, IFPE may appeal to the Director by submitting a written notice of appeal with a copy of the grievance attached within ten (10) days after receipt of the Step 2 decision or the date such decision was due. Failure to file to Step 3 within the prescribed time limits, unless mutually agreed otherwise, shall result in the grievance being resolved pursuant to the Step 2 decision. Within ten (10) days of receipt of the Step 3 appeal the Director, or his/her designee, the parties shall schedule a meeting to attempt to resolve the grievance. If the grievance is not resolved, the IFPE shall have five (5) days to request, in writing, that the grievance be submitted to an independent arbitrator.

Arbitrator Selection:

If in accordance with the above procedure the grievance(s) is appealed to arbitration, representatives of the Employer and IFPE shall select an arbitrator. If IFPE has been requested by the Employer to select an arbitrator, and fails to respond within forty-five (45) days, the grievance shall be considered withdrawn.

Both parties agree to attempt to arrive at a joint stipulation of the facts and issues as outlined to be submitted to the arbitrator. The Employer or IFPE shall have the right to request the arbitrator to require the presence of witnesses and/or documents. Each party shall bear the expense of its own witnesses.

Questions of arbitrability shall first be decided by the arbitrator. The arbitrator must make a preliminary determination on the question of arbitrability. Once a determination is made that the matter is arbitrable or if such preliminary determination cannot be reasonably made, the arbitrator shall then proceed to determine the merits of the dispute.

The arbitrator shall only have authority to determine compliance or non-compliance with the provisions of this Agreement and shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. He shall only consider and make a decision with respect to the specific issues submitted, and shall have no authority to make a decision on any other issue not so submitted to him.

In the event the arbitrator finds a violation of the terms of this Agreement, he shall fashion an appropriate remedy. The arbitrator shall be without power to make a decision contrary to or inconsistent with or modifying or varying in any way the application of laws and rules and regulations having the force and effect of law. The arbitrator shall submit in writing his decision within thirty (30) calendar days following close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to a written extension thereof. The decision shall be based solely upon his interpretation of the meaning or application of the express terms of this Agreement to the facts of the grievance presented. A decision rendered consistent with the terms of this Agreement shall be final and binding.

The expenses and fees of the arbitrator and the cost of the hearing room shall be paid by the losing party. In cases of split decisions the arbitrator shall determine what portion each party shall be billed for expenses and fees.

Nothing in this Article shall preclude the parties from agreeing to the appointment of permanent arbitrator(s) during the term of the Agreement or to use the expedited arbitration procedures of the American Arbitration Association.

If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record and makes a copy available without charge to the arbitrator. If the other party desires a copy it shall pay for the cost of its copy. However, in the event an arbitrator requests a copy of the record the cost of court reporter's attendance and arbitrator's transcript shall be bourn equally. If both parties request copies of the record the entire cost of transcription shall be bourn equally by each party.

Section 3. Representation

Employees covered by this Agreement shall be represented only by IFPE. Such representation shall be permitted at any and all steps of the procedure. In any case where an employee represents himself/herself, the final level through which the grievance may be processed by the employee shall be at Step 1.

Section 4. Time Limits

- A. Grievances may be withdrawn at any step of the procedure without prejudice. Grievances not appealed within the designated time limits shall be treated as withdrawn. Failure of the Employer to respond within the designated time limits at any step of the grievance procedure shall permit IFPE, and where provided, the employee, to process the grievance to the next step within the designated time limits.
- B. The time limits at any step may be extended by agreement of the parties involved at that step.
- C. Grievances concerning suspensions or layoffs shall be initiated at Step 2 of the grievance procedure.
- D. Certain issues which by nature are not capable of being settled at a preliminary step of the grievance procedure may by mutual agreement be filed at the appropriate step where the action giving rise to the grievance was initiated.
- E. Postmark dates are considered timely if that date is within the timeframes defined by the provisions of this Article.
- F. Mutual agreement shall take place between the appropriate IFPE representative and the proper Employer representative at the step where it is desired to initiate the grievance.

Section 5. Time Off

A. The grievant and/or an IFPE steward shall be permitted reasonable time without loss of pay during their normal working hours to process a grievance. No employee or IFPE steward shall leave his/her work to process a grievance without first notifying and receiving authorization from his/her supervisor, which authorization shall not unreasonably be withheld.

Such leave shall not interfere with the operating needs of the agency. Unless mutually agreed otherwise, such reasonable time off shall not exceed two (2) hours in any one day, except for arbitration days.

- B. The Employer shall not be responsible for any travel or subsistence expenses incurred by grievants or IFPE steward in the processing of grievances.
- C. Witnesses who have been subpoenaed and who are State employees and whose testimony is pertinent to the grievance presentation will be permitted reasonable time off without loss of pay to attend grievance or arbitration hearings.

Section 6. Number of Grievances

By mutual agreement of IFPE and the Employer, more than one grievance may be scheduled at any step of the grievance procedure

Section 7. Stewards and Jurisdictions

IFPE shall designate up to thirteen (13) stewards, in addition to IFPE staff, who are bargaining unit members who are authorized to represent employees. IFPE shall designate the jurisdictional area for each steward. Each jurisdictional area shall be limited to a reasonable area to minimize the loss of work time and travel, giving consideration for the geographic area, shifts, employing units and/or departments where the number of employees in such units or departments are too minimal to warrant designation of a steward.

IFPE shall provide to the Employer a written list of stewards and their respective jurisdictional areas within a reasonable period of time after the effective date of this Agreement. Any changes thereto shall be forwarded to the Employer by IFPE as soon as possible after changes are made. The parties agree that only stewards whose names are submitted to the Employer in accordance with this section shall be recognized as official representatives of IFPE.

Section 8. Civil Service Commission Jurisdiction

The parties recognize that the Civil Service Commission has sole jurisdiction and authority to hear appeals relating to demotion, position classification/allocation or geographical transfer.

Discharges, layoffs and suspensions in excess of thirty (30) days within a twelve month period shall be either arbitrated through the grievance procedure or appealed to the Civil Service Commission. An employee who files an appeal to the Civil Service Commission under the provisions of the Personal Code and Rules of the Department of Central Management Services over the same subject matter shall waive any rights provided in this Article.

Section 9. Pertinent Witnesses and Information

Either party may request the production of specific documents, books, papers or witnesses reasonably available and substantially pertinent to the grievance under consideration. Such request shall not be unreasonably denied, and if granted

shall be in conformance with applicable laws, and rules issued pursuant thereto, governing the dissemination of such materials.

Requests to interview the other parties witnesses shall be made through the appropriate representatives. Each party shall have the right to have its representatives present during all such interviews.

If the request is unreasonably denied, IFPE may petition the Director of Central Management Services who shall subpoena the material and/or witnesses in conformance with the provisions of this Section and his/her statutory powers, and such delay shall not penalize the grievant.

Section 10. Deferral to the Grievance Procedure

The parties recognize that any dispute arising from the collective bargaining agreement must be resolved pursuant to this Agreement, the Illinois Labor Relations Act or the Uniform Arbitration Act.

ARTICLE XII

DISCIPLINE

Section 1. Definition

Disciplinary action shall include the following:

- A. Oral reprimand
- B. Written reprimand
- C. Suspension
- D. Discharge

Discipline may be imposed upon an employee only for just cause. The Employer agrees with the tenets of corrective and progressive discipline.

Notations of oral reprimands may be placed in the employee's personnel file. Copies of that notation shall be given to the employee. An employee shall not be demoted for disciplinary reasons. Counseling and corrective action plans are not considered discipline.

Section 2. Suspension Pending Discharge

The Employer may suspend an employee without pay up to 30 days pending a decision on discharge of the employee, and such shall not be grievable under Article XI.

Section 3. Pre-Disciplinary Meeting

The Employer shall afford a reasonable opportunity for a pre-disciplinary meeting with the employee involved and, if requested by the employee, an IFPE representative. If the employee does not request IFPE representation, an IFPE representative shall nevertheless be entitled to be present as a non-active participant at any and all such meetings. Reasonably in advance of such meeting the Employer shall provide IFPE with the alleged violation(s) and shall make every reasonable effort to provide IFPE with all relevant documentation, including the names of witnesses, being used by the Employer to substantiate the alleged violation(s). An employee or his/her representative is allowed to rebut the charge(s) if the employee so desires. The Employer shall provide reasonable notice of such meeting to be held at a mutually agreeable time.

Pre-disciplinary meetings shall not be held in cases of oral reprimands.

Section 4. Notice

In the event disciplinary action, in an amount greater than an oral reprimand, is taken against an employee, the Employer shall promptly furnish the employee and IFPE with a clear and concise copy of the statement of facts giving rise to

the discipline and the measure of discipline intended. The measure of discipline intended may not be increased as it relates to the statement of facts once the statement has been served.

The Employer shall notify the employee and IFPE of the discipline imposed, within 45 days after completion of the pre-disciplinary meeting. The Employer shall notify the employee and IFPE of the measure of discipline.

Section 5. Investigatory Interview

An employee shall be entitled to the presence of a steward or IFPE staff at an investigatory interview if he/she requests one and if the employee has reasonable grounds to believe that the interview may be used to support disciplinary action against him/her. Such IFPE representative may be present during an investigatory interview for the purpose of protecting an employee's rights under the Collective Bargaining Agreement; however, such representative shall not act in a manner that will obstruct the investigation.

Section 6. Removal of Discipline

Any discipline imposed for tardiness or absenteeism shall be removed from an employee's record, if from the date of the last warning or discipline, two years pass without the employee receiving an additional warning or discipline for such offense or similar offenses.

By written request of the employee, any discipline imposed for other causes except suspensions and/or discharges shall be removed from an employee's record if, from the date of the last warning or discipline, two (2) years pass without the employee receiving any additional discipline. Such removal shall be at the request of the employee but in any case shall not be used against the employee.

ARTICLE XIII

LEAVES OF ABSENCE OTHER THAN SICK LEAVE

AND ILLNESS AND INJURY LEAVE

Section 1. Leave for Personal Business

All employees shall be permitted three (3) personal business days off each calendar year with pay. Such personal days may be used for occurrences as observance of religious holidays. Christmas shopping, absence due to severe weather conditions, or for other similar personal reasons, but shall not be used to extend a holiday or annual leave except as permitted in advance by the operating agency through prior written approval. Employees entitled to receive such leave who enter service during the year shall be given credit for such leave at the rate of one-half ($\frac{1}{2}$) day for each two (2) months service for the calendar year in which hired. Such personal leave may not be used in increments of less than two (2) hours at a time. Supervisors may however, grant employee requests to use personnel business leave in increments of ½ hour, after a minimum use of one (1) hour. Except for those emergency situations which preclude the making of prior arrangements, such days off shall be scheduled sufficiently in advance to be consistent with operating needs of the Employer. When requested within current procedural guidelines with reasonable advance notice, personal business days shall be granted, unless a documented emergency would cause cancellation of such day off. When an employee is claiming an emergency situation in regards to use of a personal day, the Employer has the right to inquire as to the nature of the emergency.

If an employee claims the use of an emergency personal business day on holidays listed in this Agreement, or on the day before or day after said holiday, the Employer has the right, upon request, and may require documentation of the emergency when reasonable grounds exist to suggest abuse.

Personal leave shall not accumulate from calendar year to calendar year; nor shall any employee be entitled to payment for unused personal leave upon separation from the service except as provided by law and/or Personnel Rule.

Section 2. Leaves of Absence Without Pay

A. Unless otherwise provided in the Personnel Rules and with the prior approval of the Director, an agency may grant leaves of absence without pay to employees for periods not to exceed six (6) months, and such leaves may be extended for good cause by the operating agency for additional six (6) month periods with the Director's approval.

Any employee, except an employee in a position or program financed in whole or in part by loans or grants made by the United States or any Federal agency, who is elected to State office, shall, upon request, be granted a leave of absence for the duration of the elected terms.

B. An employee's continuous seniority date will not be affected for up to one (1) year because of an approved Family Responsibility Leave. Upon expiration

of the leave, the Employer shall return the employee to the same or similar position classification that the employee held immediately prior to the commencement of the leave, seniority permitting. If there is no such position available, the employee will be subject to layoff in accordance with Article XV, Layoff.

Section 3. Disability Leave

- A. An employee who is unable to perform a substantial portion of his/her regularly assigned duties due to temporary physical or mental disability shall upon request be granted a leave for the duration of such disability.
- B. In granting such leave or use of sick leave as provided in Personnel Rule 303.90, the agency shall apply the following standards:
 - A substantial portion of regularly assigned duties shall be those duties or responsibilities normally performed by the employee which constitute a significant portion of the employee's time or which constitute the differentiating factors which identify that particular position from other positions, provided the balance of duties can be reassigned by the agency;
 - 2. A request for disability leave shall be in writing except when the agency is advised by other appropriate means of the employee's disability in which event the employee's signature is not required;
 - 3. Except for service-connected disability as provided in Personnel Rule 303.135, the employee shall have exhausted available sick leave provided under Personnel Rule 303.90 prior to being granted a disability leave; an employee may use other accrued paid time for this purpose but is not required to do so;
 - 4. During a disability leave, the disabled employee shall provide written verification by a person licensed under the "Medical Practices Act" (225 ILCS 60 et seq.) or under similar laws of Illinois or of other states or countries or by an individual authorized by a recognized religious denomination to treat by prayer or spiritual means; such verification shall show the diagnosis, prognosis and expected duration of the disability; such verification shall be made no less often than every 30 days during a period of disability, unless the nature of the disability precludes the need for such frequency of verification;
 - As soon as an employee becomes aware of an impending period of disability, he/she shall notify the appropriate supervisor of such disability and provide a written statement by the attending physician of the approximate date the employee will be unable to perform his/her regularly assigned duties;
 - If the agency has reason to believe that the employee is able or unable to perform a substantial portion of his/her regularly assigned duties, it may seek and rely upon the decision of an impartial physician chosen by agreement of the parties or in the absence of

such agreement upon the decision of an impartial physician who is not a State employee and who is selected by the Director.

- C. Failure of an employee to provide verification of continued disability upon reasonable request shall on due notice cause termination of such leave.
- D. An employee's disability leave shall terminate when said employee is no longer temporarily disabled from performing his/her regularly assigned duties:
 - 1. An employee is no longer temporarily disabled when he/she is able to perform his/her regularly assigned duties upon advice of the appropriate authority or, in the absence of such authority, the attending physician.
 - 2. An employee is no longer temporarily disabled when he/she is found to be permanently disabled and unable to perform a substantial or significant portion of his/her regularly assigned duties by the appropriate authority, or in the absence of such authority, by the attending physician.
 - 3. In determining whether to approve a requested discharge of an employee for failure to return from a disability leave or for physical inability to perform the duties of a position, the Director may seek and rely upon the advice of the State Employees' Retirement System or other appropriate authority, including an impartial physician selected in accordance with Personnel Rule 303.145 B. (See B 6 above)
- E. 1. An employee who returns from a disability leave of six (6) months or less shall be returned by the agency to the same or similar position in the same classification in which the employee was incumbent at the time the leave commenced.
 - 2. An employee who returns from a disability leave exceeding six (6) months and there is no vacant position available in the same classification held by the employee at the commencement of such leave may be laid off in accordance with the Personnel Rules on Voluntary Reduction and Layoff, unless such leave resulted from service-connected disability, in which case the employee shall be returned to employment as in E 1 above.

Section 4. Employee Rights After Leave

When an employee returns from a leave of absence of six (6) months or less, the agency shall return the employee to the same or similar position in the same classification in which the employee was incumbent prior to commencement of such leave. Except for those leaves granted under Personnel Rules 303.155 and 303.160, when an employee returns from a leave or leaves exceeding six (6) months and there is no vacant position available to him/her in the same classification in which the employee was incumbent to such leave or leaves commencing, the employee may be laid off in accordance with the Personnel Rules on voluntary reduction and layoffs.

Section 5. Failure to Return

Failure to return from leave within five (5) days after the expiration date may be cause for discharge.

Section 6. Leave to Take Exempt Position

The Director may approve leaves of absence for certified employees who accept appointment in a position which is exempt from Jurisdiction B of the Personnel Code. Such leaves of absence may be for a period of one year or less and may be extended for additional one year periods. At the expiration thereof, an employee shall be restored to the same or similar position upon making application to the employing agency with continuous service including the period of such leave.

Such leaves will be granted without loss of seniority or other accrued benefits.
- B. In the case of an emergency call-up (or order to State active duty) by the Governor, the leave shall be granted for the duration of said emergency with pay and without loss of seniority or other accrued benefits. Military earnings for the emergency call-up paid under the Illinois Military Code must be submitted and assigned to the employing agency, and the employing agency shall return it to the payroll fund from which the employee's payroll check was drawn. If military pay exceeds the employee's earnings for the period, the employing agency shall return the difference to the employee.
- C. To be eligible for military reserve leave or emergency call-up pay, the employee must provide the employing agency with a certificate from the commanding officer of his/her unit that the leave taken was for either such purpose.
- D. Any full-time employee who is a member of any reserve component of the United States Armed Forces or of any reserve component of the Illinois State Militia shall be granted leave from state employment for any period actively spent in such military service including basic training and special or advanced training, whether or not within the State, and whether or not voluntary.
- E. During such basic training and up to 60 days if special or advance training, if such employee's compensation for military activities is less than his/her compensation as a State employee, he shall receive his regular

compensation as a State employee minus the amount of his base pay for military activities. During such training, the employee's seniority and other benefits shall continue to accrue.

Section 9. Leave for Military Physical Examinations

Any permanent employee drafted into military service shall be allowed up to three (3) days leave with pay to take a physical examination required by such draft. Upon request, the employee must provide the employing agency with certification by a responsible authority that the period of leave was actually used for such purpose.

Section 10. Attendance in Court

Any permanent employee called for jury duty or subpoenaed by any legislative, judicial or administrative tribunal, shall be allowed time away from work without loss of pay during his/her working hours for such purposes except in matters of non-work related personal litigation. Upon receiving the sum paid for jury service or witness fee, the employee shall submit the warrant, or its equivalent, to the agency to be returned to the fund in the State Treasury from which the original payroll warrant was drawn. Provided, however, an employee may elect to fulfill such call or subpoena on accrued time off and personal leave and retain the full amount received for such service. Jury duty service shall replace an employee's shift on regularly scheduled work days.

Section 11. Fitness for Duty

If the Agency Head has reason to believe that the employee is unable to perform a substantial portion of his/her regularly assigned duties, it may seek and rely upon the decision of an impartial physician chosen by agreement of the parties or in absence of such agreement upon the decision of an impartial physician who is not a State employee and is selected by the Director.

Section 12. Maternity/Paternity

All female bargaining unit members who show proof that they have received prenatal care in the first 20 weeks will be eligible for four (4) weeks (20 work days) paid maternity leave. Such proof shall be provided to the Employer no later than the 24th week of pregnancy. All male bargaining unit members who show proof that their spouses have received prenatal care in the first twenty weeks, with notification to the Employer within 24 weeks, will be eligible for three (3) weeks (15 work days) of paid paternity leave. The Employer agrees to provide the IFPE with copies of any amendments, and upon timely request by the IFPE, negotiate with the IFPE over the impact, if any, of such amendments when required by the Illinois State Labor Relations Act.

ARTICLE XIV

SICK LEAVE AND ILLNESS AND INJURY LEAVE

Section 1. Sick Leave

All employees shall accumulate paid sick leave at the rate of one day for each month's service during their current period of continuous service. Sick leave may be used for illness, disability, or injury of the employee, appointments with doctors, dentists, or other professional medical practitioners, and in the event of serious illness, disability, injury, or death of a member of an employee's immediate family or household. For purposes of definition, the "immediate family or household" shall be husband, wife, mother, father, brother, sister, children, grandchildren, or any relative or person living in the employee's household from whom the employee has custodial responsibility or where such person is financially and emotionally dependent on the employee and where the presence of the employee is needed. Sick leave may also be used in the event of death of grand relations and parent and child-in-law. Such days may be used in increments of no less than one (1) hour at a time.

Evidence of illness, including doctor's statements, as defined in Section 6 (a), (b), and (c), of this Article, may be required where the Employer may have reason to believe consistent with the provisions of this section, that such leave days were not used for the purpose herein set forth. Abuse of sick time is the utilization of sick days for reasons other than those stated in the Collective Bargaining Agreement.

For periods of absence for more than ten (10) consecutive workdays the employee shall provide verification for such absence in accordance with the provisions of Personnel Rule 303.145. When requested by the employee, the Employer shall provide all necessary medical forms to the employee sufficiently in advance so such forms can be timely completed by the medical practitioner.

Visits of two days per year to a veterans' hospital for examination needed because of military service-connected disability shall be in pay status without charge to sick leave.

An employee shall be awarded one additional personal day on January 1 of each calendar year if no sick time was used in the preceding twelve (12) month period, beginning on January 1 and ending on December 31. Such additional day shall be liquidated in accordance with Article XIII, Section 1.

Section 2. Accumulation of Sick Leave

Employees shall be allowed to carry over from year to year of continuous service any unused sick leave allowed under this provision and shall retain any unused sick leave accumulated prior to the effective date of this Agreement.

Employees upon leaving State service shall receive cash payment for one-half of any unused sick leave earned between 1/1/84 and 12/31/97.

Section 3. Advancement of Sick Leave

An employee with more than two (2) years continuous service, whose personnel records warrant it, may be advanced sick leave with pay for not more than ten (10) working days upon written approval of the operating agency and the Director. Such advances will be charged against sick leave accumulated in subsequent service.

Section 4. Sick Leave Bank

Provisions of the sick leave bank shall be available to all employees within the bargaining unit. Parameters of the sick leave bank shall be in accordance with Section 303.112 of the Personnel Rules of the Department of Central Management Services as currently written.

An employee who suffers an on-the-job injury or who contracts a service-connected disease as determined by the Employer which causes him to be absent from work shall be allowed full pay without utilization of any accumulated sick leave or other benefits for up to five (5) days of such necessary absence. Thereafter the employee shall be permitted to utilize accumulated sick leave. In the event such service-connected injury or illness becomes the subject of an award by the Industrial Commission, the employee shall restore to the State the dollar equivalent which duplicates payment received as sick leave days, and the employee's sick leave account shall be credited with sick leave day equivalents. In the case of an on-the-job or service-connected injury or disability, the employee shall accumulate continuous service for the duration of the illness or injury leave.

At the end of an employee's illness or injury leave, she/he shall return to her/his prior position classification. If the employee does not have the continuous service, the layoff provisions of this Agreement shall apply. An employee who suffers an on-the-job injury or who contracts a service-connected disease shall not be required to utilize any accumulated sick days prior to being granted an illness or injury leave.

Section 6. Illness or Injury Leave

Employees who have utilized all their accumulated sick leave days and are unable to report to or back to work because of the start of or continuance of their sickness or injury shall receive an Illness or Injury Leave without pay and may receive additional extension(s) of such leave. Prior to application for such leave or extension thereof the employee shall inform the Employer that such condition exists, or advise the Employer that such condition is continuing before the expiration of their original leave or an extension thereof and if requested, take a physical examination given by the Employer's physician if there is a doubt as to the employee's illness. The employee shall report back to work as soon as physically able. If there is a difference of opinion between the Employer's physician and the employee's physician as to his/her illness or ability to return to work, the Employer may request an examination by another physician (who is not employed by the State). Such examination shall be paid for by the Employer.

Section 7. Proof of Illness or Injury Status

The Employer may place an employee on proof of illness or injury status by notifying the employee and IFPE that future use of sick leave must be substantiated. In said notice, the Employer will state its reasons for placing the employee on proof status and will specify the type of substantiation required. The Employer shall specify any specific information it requires in the substantiation and the length of proof status. The employee or IFPE may grieve being placed on proof status pursuant to the procedures of Article X. If an employee on proof status fails to provide the required medical statement, the employee will not be allowed to use accumulated sick leave and may be subject to docking and/or discipline. The parties agree to the following definition of acceptable medical certification for proof status:

- a. Signature, address, and phone number of the examining medical practitioner (or authorized designee);
- b. The pertinent date(s) in question; and,
- c. An indication that the employee was unable to work on the date(s) in question for reasons of personal or family illness.

If the Employer demands an additional form of proof different from that which is furnished and involves cost to the employee the Employer shall pay the cost of such professional charges, when such verifies the employee was not abusing sick leave.

Section 8. Disaster Service Leave With Pay

Any employee who is a certified disaster service volunteer of the American Red Cross may be granted leave with pay for up to 20 working days in any 12-month period for disasters within Illinois. The leave may be granted upon request of the American Red Cross and approval of the employee's agency. Disasters must be disasters at a Level III and above.

Section 9. Effect of Department of Central Management Services Personnel Rules

The Department of Central Management Services Personnel Rules govern the substantive content of this Article, and any amendments to said Rules are immediately incorporated as additions and/or amendments to this Article. The Employer agrees to provide the IFPE with copies of any amendments, and upon timely request by the IFPE, negotiate with the IFPE over the impact, if any, of such amendments when required by the Illinois State Labor Relations Act.

ARTICLE XV

LAYOFF

Section 1. Application of Layoff

IFPE recognizes the right of the Employer to layoff employees for reasons of lack of funds or work, abolition of a position, or material change in duties or organization. Layoffs shall be in accordance with the procedure set forth in this Article except that it shall not apply to temporary emergency shutdown where all affected employees are to be recalled nor shall it apply in the event of temporary layoff pursuant to Section 6 of this Article.

Section 2. General Layoff Procedure

- A. Layoff shall be by appropriate organizational unit in the bargaining unit. Organizational units are defined as follows:

 - No certified, probationary or provisional employees may be laid off until all exempt, temporary and emergency employees in the same classification and the approved layoff organizational unit are terminated.
 - 2) No certified or probationary employee may be laid off until all provisional employees in the same classification and the approved layoff organizational unit are terminated.
 - No certified employee may be laid off until all probationary employees in the same classification and the approved layoff organizational unit are laid off.
- C. Employees within the appropriate layoff unit shall be laid off in inverse order of seniority except that the Employer may layoff out of seniority order to comply with EEO and related affirmative action laws. For the purposes of layoff, seniority shall prevail unless a less senior employee has demonstrably superior skill and ability to perform the work required in the position classification. The parties shall meet to discuss such compliance with EEO and related affirmative action laws.

Section 3. Notice of Layoff

In the event the Employer becomes aware of an impending reduction in the work force due to layoff, it will notify IFPE at least thirty (30) calendar days prior to the effective date. If requested by IFPE, the Employer shall meet to determine if available bargaining unit vacancies may be filled by the affected employees. In

emergency layoff situations IFPE shall be provided as much advance notice as possible. Unless operating conditions or events are specified in the proposed layoff plan, affected employees shall be given 30 working days notice prior to the effective date of the layoff.

Section 4. Bumping, Transfer and Reduction in Lieu of Layoff

A. An employee who is scheduled for layoff shall be offered available permanent vacancies in the same or lower position classifications for which the employee is deemed qualified and eligible in other organizational units within the agency, if applicable and seniority permitting. Refusal to accept such offer will not impair the employee's rights to recall. It is understood by the parties that promotion is not an option under this provision. Bumping priorities shall be offered to employee(s) subject to layoff, if available, prior to the offering of available vacancies.

B. Bumping Priorities

- 1) First Step: Any employee who is subject to layoff shall have the opportunity to bump the least senior employee in the same classification and option, if the employee is deemed qualified and eligible, within the same work county and agency.
- 2) Second Step: For the Department of Natural Resources, any employee who is subject to layoff shall have the opportunity to bump the least senior employee in the same classification and same option, if the employee is deemed qualified and eligible, in the same Region in the same agency. For the Department of Agriculture, Veterinary Consumer Safety Officer, Veterinarian Supervisor I, & II and the Historic Preservation Agency, Site Superintendent I, II, & III only; any employee who is subject to layoff shall have the opportunity to bump the least senior employee in a lower-level classification in the series and same option, if the employee is deemed qualified and eligible, within a one hundred (100) mile radius of the worksite in the same agency.

Section 5. Recall

- 1) When permanent vacancies occur within a position classification in the county for which a recall list exists, prior to filling such vacancies by any other means, the Employer shall recall laid off employees to such position classification in the agency in which the employee was laid off provided the employee is qualified to hold such a position. Recall shall be in order of seniority. For employees in the classifications of Site Superintendent I, II, & III; and Veterinary Consumer Safety Officer, Veterinarian Supervisor I & II, recall rights shall be extended to the lower-level classifications in the series.
- 2) All employees subject to layoff or on layoff may select up to two (2) counties in addition to the county from which they have been laid off on whose recall list they wish their name to appear, and shall be so listed.

Vacation time shall not be accumulated for more than twenty-four (24) months after the end of the calendar year in which it was earned.

Section 3. Interrupted Service

Computation of vacation time of state employees who have interrupted continuous state service shall be determined as though all previous state service which qualified for earning of vacation benefits is continuous with present service. ARTICLE XVII

TEMPORARY ASSIGNMENT

The employer may temporarily assign the employee to perform the duties of another position classification. To be eligible for temporary assignment, the employee must be qualified and be assigned in writing by the Employer to perform the preponderance of duties and responsibilities which distinguish the higher position classification not provided for in his/her regular position classification.

An employee temporarily assigned to the duties of a position classification in an equal or lower pay grade than his/her permanent position classification shall be paid his/her permanent position classification rate. If the employee is temporarily assigned to a position classification having a higher pay grade than his/her permanent position classification, the employee shall be paid as if he/she had received a promotion into such higher pay grade.

The Employer agrees to pay the employee the higher rate as set forth above for the full time of such assignment. For the purpose of calculation, any temporary assignment shall be rounded up to the nearest hour.

When the Employer makes a temporary assignment, it will give notice to the employee of the anticipated length of the assignment and extensions thereof. An employee's refusal to take a temporary assignment to a higher level position outside the bargaining unit which assignment is anticipated to last more than six (6) months will not subject the employee to discipline. Employees shall not receive temporary assignment pay for paid days off except if the employee is given such temporary assignment for thirty (30) continuous days and such days fall within such period of time and employee works 75% of the time of the temporary assignment.

ARTICLE XVIII

ARTICLE XIX

The Employer shall provide any special and/or protective clothing and/or equipment (excluding vehicles), or the equivalent by reimbursement, which is required by the Employer and/or determined by the Employer as being necessary for such employees to perform their work. The Employer shall pay for the maintenance of all clothing and equipment determined by the Employer as being necessary.

Present practices shall continue and shall be subject to discussions at Labor Management Meetings as provided by Article XXII.

ARTICLE XX

FILLING OF VACANCIES

Section 1. Policy

The Employer recognizes the operational value of internally promoting qualified employees, and will strive to provide career progression subject to the operating needs of the agency. However, the Employer reserves the right to use at its discretion other means available as provided in the Personnel Rules for filling vacancies, subject to the provisions of this Agreement.

Section 2. Posting

Permanent vacancies shall not be filled until the position has been posted for ten (10) days in a manner determined by the Employer and available to the employees. Such postings shall include job description, training and experience requirements, specialized skills, pay, and related information.

Section 3. Bidding

Qualified bidders interested in the position must indicate such interest through the appropriate procedure within the 10-day posting period. Any bargaining unit employee may bid on a position, however, they must be deemed qualified and eligible to be considered for selection. An employee on a leave of absence at the time of the posting is not considered eligible. The Employer reserves the right to require specialized skills, training, experience and other necessary qualifications that have been set forth in the bid notice. When such vacancies are filled from within by qualified bidders, the following order of selection will be used:

- A. By transfer of the employee in the same agency, same county, same position classification and same option. However, employees desiring a transfer shall file a transfer request prior to the posting of the position. Such transfer request shall expire after six (6) months.
- B. By promotion of the employee in the same agency, same worksite, next lower level position classification in the classification series and same option.

Section 4. Selection

Selection shall be made on the basis of seniority from among employees within categories as listed in Section 3 of this Article, when the more senior employee within such category has relatively equal skill and ability to perform the work required in the position classification. If the Employer determines that a non-employee/non-bargaining unit applicant has demonstrably superior skill and ability to fulfill the needs of the position classification an exception may be made to the above. The Employer reserves the right to administer appropriate examinations. Employees shall be limited to one (1) transfer in a twelve (12)

month period and shall be limited to three (3) transfer requests in a six (6) month period.

Determinations as to whether individuals have "relatively equal skill and ability" or "demonstrably superior skill" shall be based upon evidence of performance as shown on the employee's performance evaluations, education, experience training, proven ability, and other criteria as they relate to the vacancy. Upon request of the IFPE, the Employer shall provide any relevant information regarding selection.

A successful bidder must accept any position within three (3) days of notification that he/she is the successful candidate. Failure to accept the position within this specified time would constitute a waiver of position.

Section 5. Definition of Permanent Vacancy

A non-bargaining unit employee who takes a reduction in lieu of layoff pursuant to a layoff plan, shall only be offered a vacant position covered by the contract if there are no bargaining unit employees who choose to exercise their contractual rights to such position after a five (5) day posting period.

Vacancies filled by bargaining unit and/or non-bargaining unit employees as a result of reduction in lieu of layoff pursuant to a layoff plan, shall not be considered permanent vacancies for the purpose of this Article.

ARTICLE XXI

GEOGRAPHICAL TRANSFER

In the event of a geographical transfer under Personnel Rule 302.430 is required, seniority as defined in Article VII shall govern, the most senior employee being given first preference. If no employee wishes to accept such transfer, the least senior employee in the affected position classification shall be required to take such transfer. An employee shall be reimbursed for all reasonable transportation and moving expenses incurred in moving to a new location because of an involuntary permanent geographical transfer.

Such use shall not include any long distance or toll telephone calls at the expense of the Employer.

Section 9. Job Description
